

**Grants by Grant Cycle****Grants matching your search for 2016-17 Local Enforcement Agency Grants (EA27)****Alameda County****Grantee:**Alameda County**Amount Awarded:** \$30,428.00**Grantee Contact:** Maria Mendoza**CalRecycle Grant Manager:** Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of Alameda County LEA is to protect the public health and the environment with regards to solid waste activities in our jurisdiction. The Alameda County Department of Environmental Health, Office of Solid/Medical Waste Management Program intends to use the FY2016-2017 LEA Grant 27 funds to a portion of salaries of staff directly involved in the Solid Waste Program.

*Total Awarded for County: \$30,428.00***Alpine County****Grantee:**Alpine County**Amount Awarded:** \$15,262.00**Grantee Contact:** Dennis Lampson**CalRecycle Grant Manager:** Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The Alpine County Health Department was designated and certified as the LEA for the solid waste program for permitting, inspection and enforcement of solid waste facilities. Grant funds are solely for solid waste program activities in Alpine County.

*Total Awarded for County: \$15,262.00***Amador County****Grantee:**Amador County**Amount Awarded:** \$16,602.00**Grantee Contact:** Michael Israel**CalRecycle Grant Manager:** Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of Amador County's solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction. This grant will supplement the funding of the County program for solid waste permitting and enforcement activities. All Program activities are current mandates of the County to provide this level of service to the community in order that the public health and the environment are not adversely impacted by solid waste handling, storage or disposal practices. Amador County Environmental Health intends to use the FY 2016-17 LEA Grant funds for a portion of the LEA staff's salary. Any interest earned will be used for personnel/salaries.

*Total Awarded for County: \$16,602.00***Butte County****Grantee:**Butte County**Amount Awarded:** \$19,550.00

Grantee Contact: Doug Danz

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of Butte County Environmental Health regarding the solid waste program is to protect public health, safety and the environment specifically concerning solid waste facilities within our jurisdictions. LEA Enforcement Grant funds will be used primarily to maintain inspection frequency for non-fee supported solid waste sites (SWIS), enforcement activities not covered by other solid waste program funds such as fees and activities including participation in LEA and CalRecycle coordination activities to assure program uniformity and compliance with applicable state regulatory requirements. Any interest accrued will be used to cover the cost of existing solid waste program staffing.

Total Awarded for County: \$19,550.00

Calaveras County

Grantee:Calaveras County

Amount Awarded: \$19,406.00

Grantee Contact: Paul Feriani

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The LEA's Goal is to regulate proper storage, collection and disposal of residential, commercial and industrial solid waste. This is mainly accomplished through education, inspections and enforcement actives. The Grant will be used for R.E.H.S. salary, inspection/complaint vehicle maintenance and fuel, maintenance of computer software, training, copy machine maintenance and limited office supplies that support the solid waste permit and inspection program. Any interest earned will be used towards inspection vehicle fuel. Again, the grant funds are very much appreciated in this small rural County.

Total Awarded for County: \$19,406.00

Colusa County

Grantee:Colusa County

Grantee Contact: Mr Jasjit Kang

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: Grant funds will be used to implement the LEA program in Colusa County.

Total Awarded for County: \$16,501.00

Contra Costa County

Grantee:Contra Costa County

Amount Awarded: \$26,822.00

Grantee Contact: Joe Doser

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: Great will be used for LEA personnel salaries.

Grantee:City of Pittsburg

Amount Awarded: \$16,271.00

Grantee Contact: Laura Wright

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The Pittsburg LEA will use the funds for inspection and enforcement of all types of solid waste facilities, outreach, and inspection vehicle expenses. The Funds will be used to continue programs, education and outreach to residents on materials that cannot be disposed of in a landfill/transfer station such as sharps, mercury, tires and other HHW materials. The funds will also support computers, software, electronics and other monitoring equipment.

Total Awarded for County: \$43,093.00

Del Norte County

Grantee: Del Norte County

Amount Awarded: \$15,997.00

Grantee Contact: Ms. Heidi Kunstal

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction. The Del Norte County Community Development Department's Environmental Health Division intends to use FY 2016-2017 LEA funds for personnel costs and transportation costs to attend LEA related meetings. The County does not request an advance payment of grant funds.

Total Awarded for County: \$15,997.00

El Dorado County

Grantee: El Dorado County

Amount Awarded: \$18,729.00

Grantee Contact: Mike Deatherage

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of the El Dorado County solid waste program is to protect public health, safety, and the environment with regard to solid waste facilities within our jurisdiction. El Dorado County intends to use FY 2016-2017 Local Enforcement Agency grant monies to compensate Placer County for performance of solid waste permitting and enforcement activities within El Dorado County. This arrangement between neighboring counties is sought to effect cost efficiency. Any interest earned will also be used to compensate Placer County for performance of solid waste permitting and enforcement activities within El Dorado County.

Total Awarded for County: \$18,729.00

Fresno County

Grantee: Fresno County

Amount Awarded: \$29,125.00

Grantee Contact: Mr Glenn Allen

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of the solid waste program is to promote compliance with State and Local regulations as it pertains to the collection, handling, storage and disposal of residential, commercial and industrial waste in an effort to protect the air, water, and land from pollution and to ensure public health, safety and the environment. The Fresno County Department of Public Health, Environmental Health Division, intends to utilize the FY 2014-15 Enforcement Grant funds for staffing needs directly related to the County of Fresno Enforcement Program. Remaining grant funds will be utilized to attend training to maintain program certification, fund office expenses, and purchase and maintain equipment.

Total Awarded for County: \$29,125.00

Glenn County

Grantee:Glenn County

Amount Awarded: \$16,549.00

Grantee Contact: Kevin Backus

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The enforcement assistance grant will be utilized to directly support the Glenn County Local Enforcement Agency in inspecting and monitoring the Glenn County Landfill, composting operations, closed sites and other solid waste activities. The grants funds will be maintained in a separate account within the Glenn County Health and Human Services Agency Budget, as required in the Enforcement Assistance Grants Program Financial Control Mechanisms document. Expenditures will be divided between equipment, training, professional and consulting services and LEA staff salaries.

Total Awarded for County: \$16,549.00

Humboldt County

Grantee:Humboldt County

Amount Awarded: \$20,022.00

Grantee Contact: Ms. Harriet Hill

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: Our certified LEA oversees 67 solid waste sites (operations, facilities, closed landfills and burn dumps) and numerous nuisance dump sites. LEA responsibilities include educating individuals, businesses and government agencies on the proper methods for handling and disposing of solid waste. Other funding for the LEA program is obtained from the solid waste tipping fee (of which we receive \$2.66/ton), operation and facility inspection fees, and project review fees. We will use the EA 27 grant funds to augment our program revenue to provide staff salaries and training.

Total Awarded for County: \$20,022.00

Imperial County

Grantee:Imperial County

Amount Awarded: \$22,553.00

Grantee Contact: Jeff Lamoure

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The mission of the Imperial County Local Enforcement Agency (LEA) is to protect public health, safety, and the environment by ensuring that all solid wastes are properly managed within our community. The Imperial County Department of Public Health intends to utilize the FY 2016/17 EA Grant funds in support of this mission and for LEA tasks related to permitting, inspections, and enforcement at solid waste facilities. The EA grant funds will be utilized specifically for staff training, supplies, and technical services and equipment, as well as in support of illegal dumping prevention and enforcement activities managed by the Imperial County LEA. Any remaining funds or interest earned will be used for salary offsets.

Total Awarded for County: \$22,553.00

Inyo County

Grantee:Inyo County

Amount Awarded: \$18,122.00

Grantee Contact: Mr Marvin Moskowitz

CalRecycle Grant Manager: Dan Wong

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction. Sierra County

Grantee: Sierra County

Amount Awarded: \$15,824.00

Grantee Contact: Mrs. Judy Blakney

CalRecycle Grant Manager: Dan Wong

Project Summary: With only one FTE Environmental Health Specialist, Sierra County currently has one (1) operating landfill and four (4) operating transfer stations that are permitted and inspected. In addition there are thirteen (13) closed/inactive/abandoned (CIA) sites that are also inspected. These solid waste facilities are located throughout an area covering approximately 1,000 square miles. In addition to the regulated facilities, the Environmental Health Specialist is also required to respond to solid waste complaints. The Local Enforcement Agency is charged with the responsibility to "...assure that solid, liquid, and hazardous waste are collected, treated, handled, and reclaimed or recycled in such a manner as to prevent the spread of pollution of waters, the creation of nuisances of safety hazards, and the environmental degradation of any kind." (Sierra County Health Services Plan, (1994/95). The Environmental Health Specialist is responsible for performing tasks directly related to solid waste facility permitting and inspections as well as accomplish all the duties encompassed by the Environmental Health Plan.
